

Testing Link Targets

2007-01-13 18:57:00 by manunkind

Testing **target="_blank"** links. This currently gets stripped out. I have not found a fix for this yet.

The following link should open in a new window:

<http://www.google.com>

<http://www.ravennuke.com/modules.php?name=News&file=article&sid=8>
